

**SWINE FLU PANDEMIC 2009/10**

**SUPPORTING STATEMENT TO BE COMPLETED BY THIRD PARTY WHEN MEDICAL CERTIFICATE NOT AVAILABLE**

The University needs to have independent and contemporaneous evidence in support of any claim that a student's academic performance has been adversely affected by illness. Wherever possible, medical certificates should be submitted. However, during the current pandemic medical certificates may not be issued for flu like illnesses and the University will accept other third party authentication.
