Campus Access

Campus opening hours are as detailed below. For security purposes access outside of these hours is by prior arrangement only and on production of a valid UU ID Card. Letters of approval issued to students to access areas outside of these hours must also be copied to the respective Facilities/Assistant Facilities Manager to enable Security staff to be briefed. Failure to do so may result in access being denied. Access to members of staff outside of these hours in an emergency will only be given on the production of a valid UU ID Card. Every effort will be made to support requests for access into buildings providing the security is not compromised.
