- **Exciting special events**

# WHAT IS ULSTER ELKS JUNIORS?

**Ulster Elks Juniors** is a new after school sports programme that is being delivered through the Ulster Sports Academy Sports Development Unit at the University of Ulster. Following on from our successful and popular Community Sports Camp Programme, **Ulster Elks Juniors** offers young people the opportunity to take part in a top quality sports activity and coaching programme throughout the year. In a safe and fun environment with appropriately qualified coaches and leaders, the programme of short courses provides a range of activities for young boys and girls, so you can pick an old favourite or try something new.

## Where does it take place?

Based in the University's Sports Centre at Coleraine, activities are delivered in the first class sports facilities on campus that are accessible to members of the local community as well as the University's students and staff.

## What activities are available?

Details of the current programme of activities available are provided on the enclosed flyer. We like being able to try and offer as wide a range of activities as possible and appreciate your feedback, so if there is something you would like us to provide that is not currently available, please speak with our staff. By doing so you can help us shape the programme for the future, keeping it unique and relevant to all in the local community.

## How do I get involved?

This specific programme of activities is only accessible to those that sign up to be members of the **Ulster Elks Juniors**. This costs only £10 per annum and by signing up you not only get access to the after school sports activity and coaching programme, you can also access the benefits package.

Become a member of **Ulster Elks Juniors** for an annual membership fee of only £10 and you can:

- sign up to the after school sports courses that will be happening throughout the year
- receive an Ulster Elks Juniors T-Shirt
- receive an Ulster Elks Juniors membership / benefits card
- receive 10% off University of Ulster Sports Development Unit Community Sports Camps
- receive entry into a monthly draw for prizes including tickets for the Belfast Giants Ice Hockey, Ulster Elks Basketball home games, and much, much more throughout the year.

**For further information on  
Ulster Elks Juniors
