

COVID-19 STUDENT INFORMATION

The following information provides advice and guidance to reduce your risk of catching and spreading COVID-19.

SYMPTOMS OF CORONAVIRUS (COVID-19)

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature), or;
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual), or;
- **loss of normal sense of smell and or taste**

If you (or anyone else in your household) have any symptoms, you must **ALL stay at home**. You should arrange a test for COVID-19 [here](#)

Staying at home and self-isolation

A COVID-19 Symptom Checker is available [here](#)
