Apply to Ulster University

How to apply for full-time courses

- These are submitted online through the Universities and Colleges Admissions Service (UCAS).
- UCAS has a range of deadlines for different applicants and course choices.
- The main UCAS application deadline is January 15th in the year of entry.

How to apply for part-time courses

- Applications can be made directly to the university online at ulster.ac.uk
- We advise that you submit your application no later than two weeks prior to the course start date.

What if I miss the application deadline?

Applications can be made after the UCAS deadline but will only be considered if there are vacancies available.

For more info visit ucas.com

Selecting your course: Entry requirements

We recognise a wide range of qualifications including GCE A Level, BTEC, Irish Leaving Certificate, Access or a combination of these qualifications. You can view our qualification equivalence table online.

Some courses may ask for specific subjects or grades or have additional entry requirements e.g. interview or Access NI check. Carefully review the course requirements before applying to the course.

Fees and funding

Full-time students from NI and ROI

Full-time fees for NI and ROI students are determined by the Department of the Economy and are normally increased annually.

To help with budget planning, the tuition fees for September 2021 entry were: £4,530* per year.

Full-time students from GB and EU (excluding ROI)

Fees are normally subject to an annual increase. To help with budget planning, the tuition fees for September 2020 Entry were £9,250 for undergraduate courses, integrated Masters and equivalent.

Part-time study and fees

Your fees will be based on the number of modules you take each year. Studying part-time gives the flexibility to learn and pay at your own pace.

Visit ulster.ac.uk/part-time for up-to-date information on part-time tuition fees.

For up-to-date full-time tuition fee information visit ulster.ac.uk/ug-fees

Paying for your studies – find an option that works for you

Full-time study

- Start paying your fees once you graduate and are in employment. Take out a tuition fee loan and defer your payment. Visit studentfinancenl.co.uk
- Northern Ireland students can also apply for maintenance loans and Ulster University bursaries

Part-time study

- Pay your part-time fees in 10 monthly instalments - part-time tuition fees can be paid back in monthly instalments in up to ten** equal monthly payments during each year of study.
- Part-time 5% fee discount - Pay the full cost of your annual fee at enrolment and receive a 5% discount. This offer cannot be used in conjunction with any other discount, offer or scholarship.
- Tuition fee loan - NI students can get a part-time tuition fee loan through studentfinance.co.uk or apply for government grants.

*Correct at time of publishing. Fees illustrated are based on the 21/22 entry and are subject to an annual increase. Please visit ulster.ac.uk/ug-fees for full details of the fees. Annual part-time fees are based on the number of modules you study each year and you only pay for the modules you study. Some courses may have additional costs not included in your tuition fee. Check the individual course information online for details.

**Five-month payment plan can be paid by direct debit and 10 month payment plan can be paid by a Recurring Card Payment Plan (credit/debit card).

Your future starts here

Qualifications and accreditations to get ahead

We work with accrediting bodies to develop degrees that prepare you for future certifications or provide exemptions.

Real-world experience

Our industry links mean that you may work on live industry projects and benefit from visiting professors or masterclasses from experts.

Real-world environments

We design our courses so that you learn in highly practical environments, seminars, and working project teams that will prepare you for the real world.

CV building, learning, and assessment

Gain practical experience and project work that will demonstrate your expertise including portfolios, case studies, projects, and more.

Our Employability and Careers Service is here to get you work ready:

- Benefit from one-to-one specialist advice from our award-winning Employability and Careers Hubs on campus or online.
- Access an extensive range of paid work experience, internships and volunteering opportunities.
- Meet career bodies, local and global employers at regular careers fairs and forums.
- Build your CV and interview skills with digital resources and real-time feedback.
- Get access to world-class coaches, mentors, and employability agents after you graduate through our UnlockU programme.

Welcome to Ulster University

At Ulster University, we want to give you the most rewarding student experience possible.

From our teaching underpinned by world-leading research, to our focus on your future career and the many opportunities for you to discover your passions, we aim to give you the platform to excel.

We have four campuses across Northern Ireland; Belfast/Jordanstown, Coleraine and Magee in Derry-Londonderry. Each campus has its own distinctive atmosphere and you can be sure that wherever you choose to study you will have a fantastic student experience.

Belfast/Jordanstown

Coleraine

Magee

Make yourself at home

Our award-winning accommodation is well priced, comfortable, modern and a great way to help you settle in and make the most of uni life.

All Ulster University accommodation has:

- Self-catering facilities
- High speed Wi-Fi
- Laundry facilities
- Access to gym facilities
- Student hub for socialising

Here to help you

University life is exciting, and we know you will experience a big change with new friends, new studies and new living situations. We are here to support you so you can enjoy life at Ulster University to the fullest and have the best student experience possible.

Our Student Wellbeing Team can help you with:

- Your wellbeing** - We can provide advice and guidance on a range of issues like dealing with stress, academic matters and how to adapt to student life.
- Money matters** - We can help you budget and manage your money so you can live within your means.
- Counselling** - All our students can access face to face counselling support from a trained counsellor, on or off campus. We also offer a confidential 24/7 counselling helpline.

Our AccessAbility Team

If you have a disability or long-term medical condition including mental health challenges or specific learning difficulties (e.g. ADHD, dyslexia), our AccessAbility team can provide you with a range of support and advice.
