DEPARTMENT OF HOSPITALITY AND TOURISM MANAGEMENT

Academic Year 2016/17

First Year Students must buy a Uniform for the Academy Training Restaurant.

You will already know that the course of study you have been accepted onto has modules of practical work which are carried out in the Academy restaurant **and** kitchens. You are therefore required to have the appropriate uniforms for both of these areas. These uniforms will be required throughout year one and year two of your course and possibly on your work placement year.

Kitchen

All students are required to have the kitchen clothing as noted on the Chef Shop.

<http://www.google.co.uk/webhp?nord=1#nord=1&q=chef+shop+belfast> . You are also required to wear nonslip safety shoes whilst in the kitchen.

Please note those who are enrolling onto BSc Hons Culinary Arts Management are advised to order a minimum of two aprons.

Restaurant

Males will require -

1 white shirt, 1 pair of black dress trousers, a black tie and waistcoat (see order form from Simon Jersey) and black shoes.

Females will require -

1 white semi-fitted blouse, 1 classic black **knee** length skirt, 1 black tie and 1 waistcoat (see Simon Jersey order form) and black shoes.

The food service uniforms can be viewed and ordered online at www.simonjersey.com.

It is recommended that you place your order as soon as you receive this information to ensure receipt of clothing in time for commencement of semester one.

If you can find a cheaper alternative (in a similar style to any of the above items) this will normally be acceptable within the Academy restaurant and kitchens.

You will find some details about the activity of the Academy at the web address below

You may find it fun to load down and engage in our our virtual academy app. @

I look forward to meeting you on Monday 12th September 2016 – 10.00am sharp – Belfast Campus for the pre-induction event.
