1.5 Definitions

When reading the Terms and Conditions you should interpret the following terminology using the definitions provided:

Academic Misconduct: means any action which gains or attempts to gain or assists another person in gaining or attempting to gain an unfair academic advantage. This includes but is not limited to plagiarism, collusion, contract cheating, fabrication of data unauthorised use of artificial intelligence, as well as the possession of unauthorised materials during an examination.

Accreditation of Prior Learning (APL): means the process which allows a Student (as defined below) to gain academic credits from prior learning or experience outside of education. This recognition may give the learning a credit value in a credit-based structure and allow it to be counted towards the completion of a Course of study and the award of qualifications associated with it. The term 'accreditation of prior learning' is used here to encapsulate the range of activity and approaches used formally to acknowledge and establish publicly that some reasonably substantial and significant element of learning has taken place.

There are two main categories of APL:

- **Accreditation of Prior Experiential Learning (APEL):** achieved from experiences outside the formal education and training systems, such as work or life experience, or through non-credit bearing courses, such as in-house training. Applicants could gain APEL by evidencing the knowledge gained from (but not limited to) work experience, self-directed study or through leisure pursuits. This is often evidenced through production of a portfolio of evidence.

Additional Costs: means additional payments required for services or materials in association with your Course. These will be either mandatory (essential) or optional. For example, the cost of a lab coat might be mandatory on a science Course, but a trip to Ghana to do charity work is likely to be optional, if it isn't a requirement of your Course. 6 Disabilities

- 6.1** If you have a disability the University will seek to support you by making reasonable adjustments. We encourage you to disclose any disabilities at the earliest opportunity, to ensure there is sufficient time to put appropriate support in place. Notifications can be made upon application to the University (through UCAS form or direct entry application). If you have not formally done this, please contact Student Wellbeing on your campus or by email to studentwellbeing@ulster.ac.uk to have an 'additional study need' form issued by email for you to complete.
- 6.2** As individual Students' needs (even those with the same condition) can vary, it is recommended that you make contact with the Student Wellbeing Team at studentwellbeing@ulster.ac.uk before you accept any Offer of a place, to find out what type of support is likely to be available to you and what information we need to arrange it.
- 6.3** If you choose not to tell us about your disability, provide this information with short notice before your Course or examination/assessment start dates, or do not provide full information about it before or during your Course of study, we will make all reasonable endeavours to help you, but you might not have access to the full range of support which might otherwise be available to you. The Exams Office publish deadlines for this information to be received at [Reasonable Adjustments for Examinations](#) The University cannot guarantee that support recommendations can be put in place after these dates.
- 6.4** More information about Student support available can be found at [Disability Support - Student Wellbeing](#).

7 Mental Health and Wellbeing

7.1 The safety and wellbeing of Students is of the utmost importance to the University. At Ulster University we have a wide range of Services to support the mental health and wellbeing of Students. However, there may be circumstances in which, the University has a legitimate concern for your safety and or wellbeing. In a situation where we believe a student is at imminent risk of serious or lasting harm, potentially a risk to themselves or others, and we have exhausted all other reasonable attempts to support them, we will consider contacting a trusted contact identified by you.

7.2 At Registration you will be asked to confirm if you are happy for the University to contact a trusted contact in these circumstances. A trusted contact should be someone that you would want informed and would know who else you might want contacted and how best to support you if you:

7.2.1 have unexpectedly been admitted to hospital for non-routine treatment;

7.2.2 have suffered a serious physical injury, including those relating to self-harm;

7.2.3 have not been seen for an extended period of time and cannot be contacted;

7.2.4 have an ongoing illness and appears to be significantly deteriorating; and/or

7.2.5 are experiencing a mental health crisis.

7.2.6 This list is for illustrative purposes and is not exhaustive.

7.3 You will be asked to provide details of the trusted contact (often this will be a family member, but could also be a carer, a spouse, a guardian, a long-term family friend), so that we can contact them should the need arise. It is important that you have the trusted contact's consent as they will be 'contracting in' to a shared objective regarding your safety and health and wellbeing.

7.4 Please note that if you decide not to complete this section and provide no details, the University is allowed by law to make contact with your emergency contact without your express consent in certain situations. If for whatever reason you would not want the University to contact your emergency contact, it is very important that you provide alternative details.

7.5 You will be asked to refresh these contact details every year at Registration. If you wish to change these contact details at any other stage in the year you will need to do so on the student portal.

8 Accreditation of Prior Learning (APL)

8.1 The University recognises the value of different types of learning, irrespective of the context in which it is achieved.

8.2 Some Courses will allow applicants to use points from APL to go towards their entry.

8.3 There is no fee applied to APL applications.

8.4 Successful APL applicants will usually be able to register on the Course with Advanced Standing.

8.5 More information on APL and how to make an application can be found in the Guiding Principles and Policy for the Accreditation of Prior Learning available at [APLPolicy.doc.](#)

9 Changes to Your Course

9.1 We prepare our prospectus and online information about our Courses with care and every effort is made to ensure that the information is accurate. The printed version of the prospectus is, however, published at least a year before the programmes begin. Information included in the prospectus may, therefore, change before you receive your offer, so we include a durable PDF when we send the offer letter which will highlight any changes made since the last version. We would encourage you to read this and to ensure you are completely clear what you are agreeing to.

9.2 Changes before Registration/Enrolment

9.2.1 The University will always try to deliver the Course as described in the durable PDF you receive with your Offer Letter.

9.2.2 Information outlined in the prospectus and on the University's website is accurate at the date of publication, but changes to Courses, modules, University's Services and the content and terms contained in the prospectus may be necessary. This includes but is not limited to changes to the terms,

content, delivery, location, method of assessments or lengths of the Courses described in the durable PDF. Not all circumstances are foreseeable, but changes will normally be made for one of the following reasons:

- a. to meet external, professional, or accredited body requirements;
 - b. to provide for exceptional circumstances due to reasons Beyond Our Reasonable Control;
 - c. to improve or enhance your experience, or to adopt changes recommended in Student feedback, with the aim of improving the student experience and or Student outcomes; and/or
 - d. to ensure appropriate academic standards are met, for example in response to external examiners feedback.
- 9.2.3** Prospective Students will be notified of any changes to the Contract Information in writing (usually by email) as soon as reasonably practicable and we will take all reasonable steps to minimise their impact where possible.
- 9.2.4** The University will where possible and reasonably practicable, seek the express consent of the student in regard to any changes concerning material or pre-contract information.
- 9.2.5** The University website will be updated to reflect the changed Course information as soon as reasonably practicable.
- 9.2.6** If, after due consideration, you decide that you no longer want to study your Course or to study at the University, because of the changes, you may withdraw your application or terminate your Contract with the University. In order to do so, you should notify us in writing by emailing admissions@ulster.ac.uk (and update UCAS if applicable) or by contacting your course director if you are currently a student. We will, on request, recommend alternative Courses that you could study with us, or suggest a suitable Course at an alternative higher education provider.
- 9.2.7** If you do not agree that the changes are fair, you can seek redress under the [Student Complaints Procedures \(ulster.ac.uk\)](http://ulster.ac.uk).

9.3 Course closures before Registration/Enrolment

- 9.3.1** We will do our best to deliver all Courses described in the prospectus and on the Ulster University website. However, if there are insufficient enrolments to make the Course viable, it may be necessary for the University to withdraw the

Course. If you have received an Offer for a Course that we subsequently have to close, we will contact you as soon as possible to discuss alternative Courses at the University. If you are unhappy with the alternatives, or we do not have anything else suitable to offer, we will endeavour to provide you with information and guidance regarding similar courses offered by comparable higher education providers. If you do not wish to study any alternative Courses at the University, you may cancel your Contract with us and withdraw your application by informing us by email to admissions@ulster.ac.uk. You will not be liable for Tuition Fees if you notify the University prior to Enrolment and any deposit paid will be refunded to you as soon as reasonably possible.

9.4 Course changes and/or closures after Registration/Enrolment

9.4.1 Most changes to Courses will become effective from the start of the next Academic Year, but in-year changes may be made by the University where all Students in the cohort expressly consent to the change or for reasons Beyond Our Reasonable Control.

9.4.2 We may also need to make other changes which may affect other aspects of your Course, including non-optional modules, Course assessment or delivery, changes to the terms, content, location, method of assessments or lengths of the Courses. Where this is necessary, we will only do so where:

- a.** we have to make the change for reasons Beyond Our Reasonable Control, for example if we have to start your Course via blended or online learning because the Government recommends, we keep our campus closed, or imposes other restrictions which means that we cannot teach all our students on campus at the same time;
- b.** where the changes are required in order to maintain accreditation or validation by a professional body;
- c.** where we reasonably believe that the changes are to your benefit; or
- d.** where we have your express consent to make such changes.

9.4.3 Where we decide changes to Courses are necessary, we will take steps to mitigate the impact on Students wherever reasonably possible, aiming for changes to be narrow in scope and limited in effect. When we decide changes are needed after your studies have started, we will communicate these changes to you via your University Student email account, setting out the reasons we

believe change is needed and including advice on what to do if you are not in agreement. We will communicate to Students affected by the change, at the earliest possible opportunity.

9.5 Changes to Optional Modules

- 9.5.1** Optional modules are reviewed on a Course each year and we may change the options available to you, to reflect our staff expertise, changes in Course requirements or to reflect feedback that we have received from other Students, employers or other interested parties.
- 9.5.2** Where your Course contains optional modules, you will be provided with a list of these in good time so that you can choose the options right for you each year. Sometimes, we may not be able to run a particular optional module because not enough Students sign up for it or because a member of staff is not available to teach a module. Where this may be the case, we will let you know when you are provided with your option choices, and you will be able to choose an alternative if one of your selected modules does not run.

9.6 Changes as a Result of Circumstances Beyond Our Reasonable Control

- 9.6.1** Where changes to your Course are required due to factors Beyond Our Reasonable Control, we will do our best to notify you of this and minimise the impact of this upon you, but we will not be responsible for any delays or failure to provide the Course as described for these reasons if they are Beyond Our Reasonable Control.
- 9.6.2** The University will, where required and reasonably practicable, consult with you and other Students enrolled on a Course before any change is made. This will usually be communicated via your student email. In all cases, where a significant change to a Course is made due to reasons Beyond our Reasonable Control, we will communicate with you, at the earliest possible opportunity. We will explain what options are available to you due to the change and what the next steps are.
- 9.6.3** Sometimes, we may have to cancel one or more of your scheduled teaching sessions. Where this is the case, we will normally try to make this up either by rescheduling the session or by making additional teaching materials available online so that you are not unduly affected by this.

9.6.4 As a student, you will be entitled to make use of our library facilities and virtual learning environment. These will be available at reasonable times, although they may occasionally be unavailable, for example if we need to undertake unexpected or unforeseen maintenance work or (for our physical library) when our campus is closed. We will try to ensure that we communicate this with you, any disruption is minimal and such works are carried out at times when it will not unreasonably affect you.

9.6.5 There may be circumstances Beyond Our Reasonable Control that restrict or limit your access to Services at the University. For example, if the University experiences a Cyber Attack, or where servers are otherwise offline or inaccessible. Where this is the case, we will take action to re-establish the service as soon as reasonably practicable and our liability shall be limited to making reasonable adjustments to ensure that you are not materially affected by the lack of availability. For example, if a key IT system is not available on the day you are due to hand in an assessment, we may extend the deadline to account for this.

9.7 If you do not agree with the proposed changes

9.7.1 If you have communicated to the University to confirm that you are unhappy with or do not accept the proposed changes to your Course, we will arrange to meet with you formally, within a reasonable timeframe, to try and find a resolution that we can both agree upon. If we cannot agree within a reasonable period, you have the right to withdraw from your Course. On request, we will support you to consider alternative Courses with us, (for which Tuition Fees are payable) or suggest a suitable Course at an alternative provider.

9.7.2 If you do decide the change cannot be resolved and you wish to withdraw, then you need to inform us formally in Writing, quoting your reason for withdrawal. The Tuition Fee Liability Policy will apply, with fees calculated on a pro-rata basis.

9.7.3 Subject to clause 15, we will consider on a case-by-case basis any evidence you provide of direct costs incurred or foreseeable losses suffered as a result of the change to your Course or your decision to withdraw.

10 Tuition Fees

- 10.1** Information about our Tuition Fees and related charges is summarised in the Student Guide available at Tuition fees - Student Guide.
- 10.2** All Students are required to pay Tuition Fees in accordance with the Tuition Fee Policy. The Tuition Fees include charges for Registration, tuition, supervision, assessments and use of University facilities and resources. It is payable for each year, or part of the year for which the student is enrolled, including placement years.
- 10.3** Students will be classified as either an externally funded Student or a self-funded Student. You will be considered an externally funded Student if you receive financial support from the Student Finance Company, a government funding body or are being funded by a Sponsor and the funds are paid directly to the University by the external funder. You will be considered a self-funded Student if you are funding your own studies, getting financial help from family or friends, or are receiving financial assistance directly from an external funder.
- 10.4** Your Tuition Fees will be determined by a combination of factors, including whether you are an Undergraduate or Postgraduate Student, whether you are studying full-time or part-time and your tuition fee status. Your tuition fee status is determined by whether you are a NI, ROI, GB/Islands, International or EU Student.
- 10.5** When a student enrolls on a Course during the Academic Year, for example January or April, they will be charged for the percentage of the Academic Year that they will study. This is calculated using module credits, for example if a student studying the full Academic Year is undertaking 120 credits and the students commencing January are studying 60 credits before 31st July (end of Academic Year) so they will be charged 50% of the tuition fees that year and the same rule is applied for each subsequent Academic Year studied.

- 10.6** Tuition Fees, and any subsequent fee increases, for Undergraduate full time NI and ROI Students are set by the Northern Ireland Department of Economy. The University reviews its GB/Islands, EU Other and International Student Tuition Fees and related charges annually. The level of your fees will be determined based on the first year that you commence your studies on the Course and in subsequent years this tuition fee will be subject to an inflationary increase. Once fees are confirmed each year, they will be published at [Tuition fees - Student Guide](#)
- 10.7** Where other Additional Costs directly related to your Course are likely to be incurred, these will be set out in the Course information you receive as a durable PDF alongside your Offer. You are responsible for payment of any such costs. By accepting your Offer, you confirm that you have received sufficient information on the Course that you have chosen and are aware of the associated fees and payment terms.
- 10.8** At Registration, Tuition Fees must be either paid in full, or a commitment given to pay these by one of the approved payment options. Full details of these payment options are available at [Tuition Fees Payment Policy](#).
- 10.9** If you advised on Registration that your fees are being paid via your Student Loan Provider and the Tuition Fee Office have not received confirmation by the date set in the [Tuition Fees Payment Policy](#) you will become liable to pay the Tuition Fees, which will be due immediately. You will be required to either agree a payment plan to pay the fees yourself or provide evidence that you have submitted an application for a tuition fee loan and that your application has not been declined by the Student Loan Provider.
- 10.10** If you are deemed ineligible for a full tuition fee loan from the Student Loan Provider, or the tuition fee loan does not cover your full cost, then you must pay the balance of Tuition Fees or set up an instalment plan at point of Registration.

10.11 If payment of your Tuition Fees is being met by a third party and the third party fails to make payment, then you will be personally liable for the Tuition Fees or any outstanding balance of fees.

10.12 The University will not refund to you any fees paid on your behalf by the Student Loans Company, or any other third party.

10.13 In the event that your Tuition Fees have not been paid in full by the relevant final payment date or in accordance with our fee payment options, we shall be entitled to implement the sanctions described in clause 10.15 below, suspend you from the University, refuse to permit you to continue on your Course and/or terminate the Contract (without incurring any liability to you). See clause 10.15 for further information.

10.14 A refund of Tuition Fees may be made if you withdraw from your Course of study. Refunds are calculated with reference to the date of withdrawal from the University and will not be actioned if the withdrawal procedure has not been followed correctly. Details of fee liability dates are outlined in the [Tuition Fee Liability Policy](#).

10.15 Sanctions for non-payment of Tuition Fees

The following sanctions will be applied for non-payment of Tuition Fees:

10.15.1 Where a student fails to make payment of Tuition Fees in accordance with their relevant published payment plan, the University reserves the right to apply the following sanctions which may result in serious consequences for the Student:

- a.** Withdrawal of Student access to Blackboard, the University's virtual learning system;
- b.** Withdrawal of Student access to the University's student portal and other IT systems.
- c.** Withdrawal of Student access to library e-resources and limited borrower account functionality.

- d. An inability to submit assessments, resulting in a mark of '0' being awarded for non-submission, and any future submissions may be capped.
- e. An inability for a student to receive their marks;
- f. An inability to systematically record and monitor Student attendance and engagement. (For international Students' attendance and engagement monitoring is required for UKVI purposes. This will result in a failure of the student to meet their sponsored Student obligations and could lead to their sponsorship being withdrawn. If student sponsorship is withdrawn, the student will be required to leave the UK and return to their home country.)

The University will provide adequate notice of their intention to initiate sanctions.

10.15.2 Sanctions will remain in place until the agreed payments have been made in full.

10.15.3 If payment for overdue Tuition Fees is not subsequently received in full, the University reserve the right to withdraw the Student from their Course. See **10.15.4** for further information.

10.15.4 Where a student fails to make payment of Tuition Fees in accordance with their relevant published payment plan, in addition to the sanctions at clause 10.15.1, the University reserves the right to:

- a. terminate the payment plan;
- b. withdraw the Student from their Course;
- c. suspend the Student from the University; and/or
- d. terminate the Student's Contract without liability. Students who are unable to pay their tuition fees / meet their financial obligations as agreed in the payment plan selected at registration can request a leave of absence for an initial period of 12 months. A leave of absence will preserve the academic record of the student for a defined period.

10.15.5 Where a student has successfully completed their Course but has an outstanding Tuition Fee debt one month prior to the date of the award, the student:

- a.** will not be permitted to attend their graduation ceremony. Late payments will not be accepted and once the outstanding Tuition Fees are paid the student will be eligible to attend a later ceremony;
- b.** will not receive their academic transcript of marks / degree certificate until the outstanding Tuition Fee has been paid.

10.15.6 Where a student provides a Sponsor letter and the Sponsor fails to pay the invoiced Tuition Fees within 30 days from the invoice date, responsibility for the payment of Tuition Fees will revert to the student. The student will then be required to either immediately pay the Tuition Fees in full or contact the Tuition Fee Office on +44(0) 28 701 24252 to discuss the potential of an instalment plan to avoid University sanctions being applied. Refer to Section 6.4 in the Tuition Fee Policy.

10.15.7 For international Students, non-engagement with the Course is a breach of the terms of Student sponsorship. Consequently, the University will enact its process for managing Student non-engagement. This may result in the University withdrawing their sponsorship and notifying UKVI. Once notified UKVI will begin the process of curtailing the student visa and the student will have to return to their home country. Once sponsorship has been withdrawn it cannot be re-instated.

10.15.8 Where a student holds a UKVI Student Visa and have outstanding Tuition Fee debt, the student will not be eligible to apply for the postgraduate route visa. Further eligibility criteria can be found at Graduate visa: Overview – GOV.UK (www.gov.uk).

10.15.9 Students who leave the University with outstanding Tuition Fees will be traced via the debt collection agency engaged by the University and debts plus collection fees will be recovered via the appropriate legal process. Overseas agents will be utilised where necessary.

10.15.10 Where a student has an outstanding Tuition Fee debt at the end of an academic year the student will not be permitted to re-enrol on their existing Course in a future year until outstanding Tuition Fees are settled in full.

- a. If by the end of the second week of teaching following the registration period in the new academic year, returning Students have failed to pay the outstanding Tuition Fees in full, those Students:
 - i. will be withdrawn from their Course. Students unable to pay their Tuition Fees can request a leave of absence for an initial period of 12 months. A leave of absence will preserve the academic record of the student for a defined period.
 - ii. Will not be eligible to attend classes or have access to the University IT facilities and the University shall have the right to apply the sanctions described in clause 10.15.
- b. Where a student pays the full outstanding balance before the end of the second week of teaching, it may take up to two working days for systems to update in order for the student to be able to enrol and re-join classes, submit assessments and use all IT systems and platforms. The University has a legal obligation to report any UKVI Sponsored Students that have failed to enrol on their course within a specified time. Once notified, UKVI will begin the process of curtailing the student visa, the University is obliged to withdraw sponsorship and the student will have to return to their home country.

10.15.11 Students with outstanding Tuition Fees from a previous Course wishing to apply for a new Course at the University will not have their application processed until outstanding Tuition Fees are settled in full.

14.3.13 the University discovers that you failed to disclose a prior expulsion from the University or a live/outstanding Student Conduct Matter when making your application;

15. Liability

15.1 Whilst we take reasonable care to ensure the safety and security of Students whilst on the University's campus and/or whilst using the University's Services, we expressly exclude liability, for loss or damage to your personal property (including computer equipment and software) except to the extent same is due to our negligence, breach of statutory duty, omission, or default. You are advised to insure your property against theft and other risks.

15.2 The University will not be liable for failure to perform any obligations under the Contract if such failure is caused by a reason Beyond Our Reasonable Control. In such circumstances, we will take all reasonable steps to minimise the disruption to your studies.

15.3 Nothing in these Terms and Conditions shall limit the University's liability to you for fraud or wilful deceit or for death or personal injury caused by our negligence.

15.4 The University will be liable to you for any loss or damage you suffer that is a foreseeable result of our breach of this Contract, or if we fail to carry out our obligations under these Terms and Conditions to a reasonable standard, but not to the extent that any such failure is attributable to your own fault or the fault of a third party that is not within our control. The University will not be liable for loss or damage which was not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time you accepted these terms, both we and you knew it might happen.

16. Governing Law and General Information

16.1 Nobody else has any rights under this Contract. This Contract is between you and Ulster University. No other person will have any right to enforce the terms of this Contract. This Contract does not confer third party benefits for the purposes of the Contracts (Rights of Third Parties) Act 1999.

16.2 If a Court invalidates some of this Contract, the rest of it will still apply. Each of the paragraphs of the Terms and Conditions operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

16.3 In the event of inconsistencies between these Terms and Conditions, and Student Charter, Statutes and Ordinances, Policies, Procedures and Regulations, the documents will take precedence in the following order:

The Terms and Conditions; Statutes; Ordinances; Regulations; Policies; Procedures; Student Charter.

16.4 Even if we delay in enforcing this Contract, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these Terms and Conditions, or if we delay in taking steps against you in respect of your breaking this Contract, that will not mean that you do not have to do those things or prevent us taking steps against you later. For example, if you miss a payment and we do not remind you, but we continue to provide the Services, we can still require you to make the payment at a later date.

16.5 Any dispute or claim arising out of, or in relation to, the Contract will be governed by and interpreted in accordance with the laws of Northern Ireland
