Notes for Transcripts/Letters of Confirmation of Award

Students who receive a University or Edexcel award* are provided with an Academic Transcript. The transcript is posted after the award has been conferred and lists the full diet of modules and marks achieved for each module.

Students of external institutions who require an Academic Transcript relating to an award of the University and who enrolled in the 2006/07 academic year onwards will receive a transcript from the University. This will be posted to the institution for onward transmission to each student's home address. Students who enrolled prior to this date should contact the institution where they studied.

Application for additional copies of an Academic Transcript

A charge of £25 Sterling is made where an additional copy is required. Further copies requested at the same time as this copy are charged at £10 Sterling each. An additional copy (or copies) of the transcript can be obtained by completing a Request for Academic Transcript Form which can be obtained on the following web address:- <http://www.ulster.ac.uk/academicservices/student/transcript.pdf>.
