### Magee campus

The friendly village atmosphere of our Magee campus offers an intimate learning environment in the heart of Northern Ireland’s second city, Derry-Londonderry. Located in the North West of Northern Ireland and a short distance from County Donegal, Derry-Londonderry is ideally situated for exploring some of Ireland’s most dramatic landscapes.

Ongoing investment has provided state-of-the-art teaching, research and support facilities for students and staff.

Teaching strengths on campus include business, cinematic arts, Irish, music, drama, computing, engineering, nursing and law.

### I love Magee campus because everyone is so friendly and helpful, the buildings have the best balance between modern and historical and it is situated in the beautiful city of Derry.”
