

Third Disability Action Plan

2019-2022

September 2019

1.1	<p>Introduction</p> <p>Under Section 49A of the Disability Discrimination Act 1995 (DDA 1995)(as amended by Article 5 of the Disability Discrimination (Northern Ireland) Order 2006), Ulster University is required when carrying out its functions to have due regard to the need to:</p> <ul style="list-style-type: none"> • promote positive attitudes towards disabled people; and • encourage participation by disabled people in public life ('the disability duties'). <p>Under Section 49B of the DDA 1995, the University is also required to submit to the Equality Commission a disability action plan showing how it proposes to fulfil these duties in relation to its functions.</p>
1.2	<p>As Vice Chancellor of Ulster University, I am committed to implementing effectively the disability duties and this disability action plan. The University will ensure that within available resources (in terms of people, time and money) action is taken to implement effectively this plan and where appropriate, build objectives and targets relating to the disability duties into corporate and annual operating plans.</p> <p>The University will also put appropriate internal arrangements in place to ensure that the disability duties are complied with and this disability action plan effectively implemented. It will ensure the effective communication of the plan to staff and provide all necessary training and guidance for staff on the disability duties and the implementation of the plan.</p> <p>I confirm the University's commitment to submitting an annual report to the Equality Commission on the implementation of this plan as well as carrying out a five yearly review of this plan. The University will also consult with disabled people when implementing and reviewing the plan. This will enable it to:</p> <ul style="list-style-type: none"> • identify and address any barriers disabled people may face during consultation with the University; • identify opportunities for the University to promote positive attitudes towards disabled people; and • monitor and review the effectiveness of measures taken, and the proposals outlined in the action plan.

	<p>Responsibility for developing, implementing, reviewing and evaluating this disability action plan and the point of contact within Ulster University will be: -</p> <p>Ms Angela Getty, Section Lead: Equality, Diversity and Inclusion, People and Culture Directorate, Ulster University, Shore Road, Jordanstown, BT37 0QB.</p> <p>Telephone: 028 9036 8869 Email: ak.getty@ulster.ac.uk</p> <p>If you require this plan in an alternative format (such as large print, in Braille, audio, easy read) and/or language, please contact the above person to discuss your requirements.</p>
1.3	<p>I confirm the University's commitment to submitting an annual progress report on the implementation of this plan to the Equality Commission and carrying out a five-year review of this plan in 2022, or plans submitted to the Equality Commission over the five-year period.</p> <p>A copy of this plan, the University's annual progress to the Equality Commission and its five-year review of this plan will be made available on the University's website (ulster.ac.uk/hr/employee-benefits/equality-diversity/strategies-and-action-plans).</p>
1.4	<p>Functions</p> <p>The University's Five and Fifty Strategic Plan (2016-2034), sets out the University's values, vision and mission, strategic priorities and themes and provides the overarching framework within which the University will take forward the best interests of its staff and students. The Five and Fifty Strategic Plan was adopted in October 2016 and is available at:</p> <p>ulster.ac.uk/fiveandfifty.</p>

<p>1.5</p>	<p>Public Life Positions</p> <p>The range of public life positions (as defined by the guidance) over which Ulster University has responsibility for are as follows:</p> <ul style="list-style-type: none"> • University Council; • University Senate; • Convocation; • University Committees, working groups and consultative groups; • Students' Union Council; • Students' and Students' Union clubs, societies and sabbatical officers; • Students' Union Board of Trustees; • University Staff Disability Network; and the • Alumni Association. <p>In addition, the University responds to requests from outside bodies for representation on various committees/boards. In the past this has included:</p> <ul style="list-style-type: none"> • Health and Social Care Trusts; • Local Councils; • Professional Bodies; • Government Committees/Working Groups (e.g. DEL); • Boards of Governors; and • Editorial Boards.
<p>2.0</p>	<p>Action Measures</p> <p>Measures completed within the second disability action plan are now considered to be <u>mainstreamed</u>.</p> <p>Outlined below are <u>new</u> measures that the University proposes to take over the period 2019 – 2022, together with performance indicators, timescales and allocated responsibility.</p> <p>For simplicity, and in order to make this document more user-friendly, this action plan has adopted a high-level, thematic approach.</p>

Section A: Actions to encourage disabled people to participate in public life

	Rationale	Positive action measure	Performance indicator (what success will look like)		Timescale (Year)	Person Responsible
			Outputs	Outcome		
1	Create more opportunities to enable more disabled people to work at Ulster University	Scope the possibility of introducing a supported employment placement scheme for disabled people	Partnerships established with disability groups in the vicinity of each campus Recommendations for formal scheme based on pilot scoping exercise Supported placement scheme implemented	Increased numbers of disabled people participating in University life Placement scheme informs scoping exercise for implementing ring-fenced posts for disabled people	2020 2020 2021	Director of People and Culture

2	Lack of evidence to describe the experience of disabled staff at Ulster University and their aspirations of leadership	Research project - Masters level (MBA) research project to investigate promotional opportunities and aspirations of Disabled Staff at Ulster University	Research report provides benchmark data for the most appropriate model for leadership/development for disabled staff	Targets developed to improve experiences of disabled staff	Dec 2019	Director of People and Culture
3	Lack of representation of disabled people on governing committees. 5% of Ulster University staff are disabled.	Include a tailored welcoming statement to encourage disabled people to apply for a position on University Council, as appropriate	Appropriate welcoming statement included in future application rounds for Council	Disabled people are represented on governing committees	2020	University Secretary
4	Encourage more disabled people to put themselves forward to serve on the Boards of our public bodies	Facilitate/host a 'Demystifying public appointments' half day workshop at Ulster University in Coleraine/Magee	Training session delivered by the Commissioner for Public Appointments	Disabled staff encouraged to put themselves forward to serve on the Boards of Public Bodies	2019	University Secretary/ Provosts
5	The Staff Disability Network offers disabled staff the opportunity to help formulate, advise and provide feedback on, and where appropriate	Work with the National Association of Disabled Staff Network (NADSN) to implement a peer mentoring scheme to support the Staff Disability Network's Chair and Co-chair to develop the role.	Incoming Chair and Co-chair assigned mentors Frequency of Staff Disability Network meetings increases from once a year, to once a quarter.	Membership of the Staff Disability Network increases from 13% of disabled staff to 20% of disabled staff. Members of the Staff Disability	2019	Director of People and Culture

6	<p>participate in, University initiatives to encourage greater participation of disabled people in all walks of University life. However, it is currently under-utilised. 4.9% of staff have disclosed a disability. 13.3% of disabled staff are members of the Staff Disability Network.</p>	<p>Develop a regional Disabled Staff Network for Higher Education</p>	<p>Regional Disabled Staff Network informs the national disability agenda in Northern Ireland and in the U.K.</p>	<p>Disabled staff in higher education participate more fully in public life</p>	2021	Director of People and Culture
7	<p>The absence due to psychological illnesses account for 40% of the total absence and 52% of chronic absences for 2017/18. 40% of staff feel that the University is interested in</p>	<p>Develop a 'Wellbeing Strategy' in conjunction with stakeholders including the Trade Unions:</p> <ul style="list-style-type: none"> • Eight Managing Employee Wellbeing courses provided for managers • Eight Resilience courses provided for staff • All Faculties complete Wellbeing surveys 	<p>Wellbeing Strategy provides a framework for improving health and wellbeing at Ulster University</p>	<p>Wellbeing Strategy in place</p>	2019	Director of People and Culture

	<p>their wellbeing (Staff Survey, 2017)</p>			<p>Decrease number of days lost due to sickness absence relating to psychological illness by 15% for period 2016/17 to 2019/20.</p>	<p>August 2020</p>	
<p>8</p>	<p>The Wellbeing Strategy will have a focus on improving mental health and will encourage the participation of those with mental health disabilities. 40% of staff feel that the University is interested in their wellbeing (Staff Survey, 2017)</p>	<p>Sign up to the Equality Commission for Northern Ireland's Mental Health Charter</p>	<p>Mental health Training programme developed</p> <p>Join 'Every Customer Counts'</p>	<p>Increase percentage of staff reporting that they feel the University is interested in their wellbeing to 50%</p> <p>University signed up to Equality Commission for Northern Ireland's Mental Health Charter</p> <p>Decrease number of days lost due to sickness absence relating to psychological illness by 15% for period 2016/17 to 2019/20.</p>	<p>Next Staff survey (date t.b.d)</p> <p>2019</p> <p>August 2020</p>	<p>Director of People and Culture</p>

9	<p>Students with Autism/Asperger's Syndrome (ASD) struggle with the transition to academic and social life</p>	<p>Develop an ASD drop-in group to promote participation in University life</p>	<p>Campus group meets fortnightly on a Wednesday afternoon.</p> <p>Monitoring system established to ascertain attendance from students registered with Student Support and students that have not declared a disability.</p> <p>Workshops promoted on various platforms University wide.</p>	<p>Encourages clear transition to University while having an opportunity to socialise and participate in University Life</p> <p>Participation measured to establish changes in demand and effectiveness of this intervention.</p>	<p>September 2019 – April 2020</p> <p>To be run annually</p>	<p>PVC Campus Life</p>
---	--	---	--	---	--	------------------------

10	Anecdotal, students with ASD find it difficult to obtain and retain work placements	<p>Deliver a series of workshops for relevant staff within the Employability department and School Placement coordinators to facilitate students with ASD in obtaining and retaining job placements</p> <p>Workshops will concentrate on:</p> <ul style="list-style-type: none"> • Enhancing confidence in working with or helping to prepare for interview students with ASD • Helping placement coordinators and careers staff develop an understanding of what behaviours of Social Communication Difference (such as Autism) may look like in the workplace • Increasing understanding of the experience of Autism in work 	<p>AccessAbility Advisers within Student Experience and Wellbeing review RAR for second year students who have ASD, focussing on placement support</p> <p>All Accessibility Advisers contact students in their caseload who have ASD requesting that they attend a placement review.</p> <p>Students with ASD prepare effective CVs, prepare for interview, and obtain and maintain suitable placements.</p> <p>Placement outcomes are reviewed by AccessAbility Advisers at the beginning of the students' final year</p>	Improved placement outcomes identified for students with ASD	Second semester of 2020. Thereafter, annually in Semester 2	PVC Campus Life
----	---	---	--	--	---	-----------------

11	<p>In 2018, the Students' Union (SU) ring-fenced two 'Disabled Student' seats within the Student Council structure, to encourage engagement from disabled students in influencing University and SU policy and activity. These were open to all self-defining disabled students.</p> <p>These seats comprised 2.6% of the SU Council; the SU Council comprises 0.3% of the student body.</p>	<p>Implement a formal mechanism to ensure that both 'Disabled Student' seats are filled on Student Council each year.</p>	<p>Maintain consistent representation of self-defining disabled students on Student Council.</p>	<p>Increased involvement of Disabled Students in policy setting within the SU.</p>	<p>Elections October 2019</p>	<p>Membership Director (Students Union)</p>
----	--	---	--	--	-----------------------------------	---

12	<p>Currently there is no mechanism for disabled students to meet with the 'Disabled Student Councillors' to influence University and Students' Union and national policy</p>	<p>Create and support a student network to offer the opportunity for all disabled students to meet, socialise and influence University and Students' Union and national policy.</p>	<p>Student Network is established</p> <p>Network meets at least twice a year</p> <p>Numbers of students attending network meetings recorded, to ascertain 'participation' baseline</p>	<p>Increased occasions where disabled student can influence Students' Union policy.</p>	2019	<p>Membership Director (Students' Union)</p>
----	--	---	--	---	------	--

13	<p>In 2017/18, 9.5% of Sports Union members at Jordanstown and Belfast campuses have declared a disability, 9.7% of members at Coleraine campus have declared a disability and 16.8% of members at Magee campuses have declared a disability.</p>	<p>Survey disabled students to find out which sporting activities they would like to see offered by the Sports Union and Students' Union</p>	<p>Survey Report outlining student preferences</p> <p>Report influences internal planning</p> <p>Tailored range of activities offered to students</p>	<p>Increase participation of disabled students in influencing Ulster University Students' Union sports and societies</p>	June 2019	<p>Membership Director (Students' Union)</p>
----	---	--	---	--	-----------	--

14	Anecdotaly, disabled students are less likely to attend and participate in Ulster University Students' Union activities during Welcome and Freshers' Week.	Develop and disseminate a feedback form for Freshers' Fayres to ascertain the effectiveness of measures already adopted to make activities more accessible to students with disabilities	Report on feedback from Freshers' Fayres	Feedback informs planning for next Freshers' Fayres	September 2019 Thereafter, following each Freshers' Fayre	Membership Director (Students' Union)

Section B: Actions to promote positive attitudes towards those with a disability					
Rationale	Positive action measure	Measure of success (what success will look like)		Timescale (Year)	Person Responsible
		Outputs	Outcome		
15 Lack of understanding of the disability duties 49% of respondents to the Academic Staff Disability Awareness Survey 2017 indicated that they had heard of the Disability Duties.	Develop and deliver training and guidance on the disability duties and the disability action plan Review and where necessary update existing awareness training	Training sessions provided to staff on the disability duties	Increase percentage of academic staff who have heard of the Disability Duties to 70% in the next Disability Awareness Survey.	2022	Director of People and Culture
16 Academic Staff Disability Awareness Survey 2017: Compared with 2011, the proportions of respondents who felt that input on specific	Develop and implement comprehensive annual disability awareness training programme for staff. Prioritise training	Training programme delivered annually.	Increased understanding of the disability duties demonstrated through training evaluations.	2020 2019 -2022	Director of People and Culture

	<p>disabilities was 'Very important' and 'important' increased, regardless of disability type. The most significant increase (+12.2%) was for input on 'Autistic Spectrum Disorder / Asperger's Syndrome'.</p>	<p>according to the results of the Academic Staff Disability Awareness Survey.</p>		<p>identified in Staff Disability Surveys</p>		
17	<p>Disability equality training has not been offered to staff previously. Various external providers (e.g. the Inclusive Mobility and Transport Advisory Committee, the Omnibus Partnership) now offer this type of training, using trainers with disabilities.</p>	<p>Facilitate disability equality training for staff, with a view to improving attitudes towards disabled people</p>	<p>2 training sessions provided for staff each year (1 on Coleraine/Magee campus, 1 on Belfast/Jordanstown campus)</p>	<p>Improved knowledge of disability equality issues identified in training evaluation.</p> <p>Improved attitudes towards disabled people identified in Staff Disability Survey</p>	<p>2019</p> <p>2022</p>	<p>Director of People and Culture</p>
18	<p>76% of respondents to the academic staff disability awareness survey (2017) indicated that they are familiar with the University's guidelines for positive communication and disability language etiquette</p>	<p>Develop and deliver communications plan to re-launch/raise awareness of this guidance, to support staff to engage with disabled people.</p>	<p>Rebranded guidance circulated to all staff and students and available on website.</p>	<p>Increase percentage of staff reporting within the Staff Survey that they are aware of the guidelines to 90%</p>	<p>2022</p>	<p>Director of People and Culture</p>

19	Perceived requirement to improve knowledge and understanding of disability issues amongst student officers and student representatives.	Continuous learning: Encourage student officers and representatives to develop their understanding and awareness of disability issues/equality throughout the year, by attending regular training on disability issues and support services within the University.	Record attendance through Continuous Professional Development records and ascertain baseline of involvement Training evaluations assessed to ascertain effectiveness of learning events	Improved knowledge of disability issues amongst student officers and representatives	2019/20	Membership Director (Students' Union), President Students' Union
20	Students reluctant to disclose disabilities	Develop disability awareness campaigns informing students of resources available to support them to engage in and achieve their academic goals	Dyslexia Awareness World Mental Health Day International Day of Persons with Disabilities Workshops promoted on various platforms University wide	Impact of campaigns assessed via changes to disclosure rates.	2-8 Oct 2019 10 Oct 2019 3 Dec 2019	Head of Student Support

Section C: Supporting actions

Rationale	Positive action measure	Measure of success (what success will look like)		Timescale (Year)	Person Responsible
		Outcomes	Outcome		
<p>21 Lack of training on Disability Legislation, the Special Educational Needs and Disability (Northern Ireland) Order 2005 (SENDO) and implementation of reasonable adjustments for newly recruited and returning academic staff</p> <p>84% of respondents to the Academic Staff Disability Awareness Survey 2017 indicated that they had heard of SENDO. The proportion of respondents who felt that input on 'Advice on implications of SENDO legislation' is very important was greater (+8.6%), compared with 2011.</p>	<p>Training for newly recruited and returning staff on understanding and implementing reasonable adjustments with disabilities</p>	<p>Outcomes: A suite of webinars will be available on a secure log-in section for staff on the Student Support Website. Staff will view the webinars as part of the Ulster University Induction or return after long periods of leave</p> <p>All newly recruited staff and returning staff complete the suite of webinars</p>	<p>Outcome: Academic staff will be aware of and implement SENDO, therefore students will not be disadvantaged</p> <p>In the next Disability Awareness Survey, increase awareness of SENDO legislation from 84% to 100%</p>	2018/19	Head of Student Support

24	80% of students in UK universities experience some form of mental health issue (National Union of Students, 2015), suggesting the need for universities to do more to support this emerging need.	Fundraising campaign in support of <i>Mind Your Mood</i> initiatives to improve students' mental well-being. Fundraising activity includes community fundraising participation in the Belfast marathon, the inter-campus cycle and a range of other events.	Improved funding support for student mental health initiatives provided by / through Student Support as part of <i>Mind Your Mood</i> .	Improved students' mental well-being	This is annual fundraising activity.	Development & Alumni Relations Office
25	Increase awareness of and access to mental health support	Work with Development and Alumni Relations Office and Student support to create a Communications/Public Relations (PR) plan to raise awareness of the fundraising effort and support services available through Mind Your Mood (MYM)	Communications plan Press release Social media schedule Integrating lead academics in the field of mental health Campaign Banner on the phase 1 upgrade of Insight	Social media reach and press coverage	2018/19 academic year	Lee Campbell (PR lead)
26	Increase awareness of Ulster University thought leadership and academic expertise relating to disability	Proactive efforts to further enhance relationships across all faculties to identify and showcase research or teaching that directly impacts on disability in society e.g. patient care, policy influence, attitudinal studies, participation, recovery/rehabilitation/diagnostics etc	Enhanced focus on patient/societal outcomes and impact of relevant research	Social media and press coverage of civic impact in action	2018/19 as content becomes available 2018 enhanced stakeholder focus in	Director of Marketing & Communications

						absence of NI Executive	
27	ALL STAFF EMAILS; some issues identified for visually impaired audiences	Public Relations, Marketing and Digital Communications working with Information Services Directorate (ISD) to define new standards, processes and templates for mass email communications	Revised processes, protocols and templates developed with and for ISD colleagues	Better use of staff emails as an information channel alongside the established communications channel: Insight	2018/19	Director of Marketing & Communications	

Section D: Actions facilitating the delivery of the DAP

Rationale	Positive action measure	Measure of success (what success will look like)		Timescale (Year)	Person Responsible
		Outputs	Outcome		
28 The Disability Duties Review Group was suspended in 2012. The Equality Commission for Northern Ireland recommends the establishment of cross-departmental working group to support the implementation of the disability duties	Ensure that the Equality, Diversity and Inclusion (EDI) Strategy Implementation Group has as one of its Terms of Reference: 'Review, develop and report on the DAP	Regular meetings of EDI Strategy Implementation Group to oversee development and implementation of the DAP	Increased engagement/buy-in throughout all functions Action plan is delivered	2019	Director of People and Culture

Section E: Monitoring and evaluating the DAP

	Rationale	Positive action measure	Measure of success (what success will look like)		Timescale (Year)	Person Responsible
			Outputs	Outcome		
29	Statutory requirement	Monitor and review progress against targets on an annual basis. Submit annual monitoring report to the Senior Leadership Team and within the Section 75 Annual Progress Report	Annual monitoring report to the Senior Leadership Team. Annual monitoring report included and within the Section 75 Annual Progress Report	Action plan is reviewed annually using a traffic light system and updated as necessary. Any slippage is addressed.	Annually 31 August	Director of People and Culture
30	Statutory reporting requirement.	Perform five year review of DAP	Five year effectiveness review of DAP submitted to the Equality Commission for Northern Ireland	Effectiveness review informs next DAP.	2022	Director of People and Culture

Signed by:

Professor Paddy Nixon

Vice Chancellor
