

Learning Landscapes Activity Cards

Overview

Teacher and Student Activity Cards

These cards signpost to evidence-based, online toolkits and resources on learning spaces for students and staff that include:

- Learning and Teaching at Ulster University
- Active Learning
- Blended Learning
- Flipped Learning
- Enquiry Based Learning
- Problem Based Learning
- Learning Spaces: Formal and informal
- Technology available (including appropriate use)
- Induction guidance (What works?)
- Large/Small Group Teaching
- Inclusive Practice

All supplemented with Ulster case studies, digital stories and blog posts...

- Motion Graphic on 'What it is to be a Student at HE'
- Student voices on transition to HE (Digital Stories)

Online resources for learning activity design (Jisc Viewpoints and storyboarding)
