Recommendations for close work

BIG

At least **size 22 font** on computer
Ensure PECS at least **8cm** in size

(for a 30cm working distance)

Size 22 font is visible with this level of vision ✓

8cm
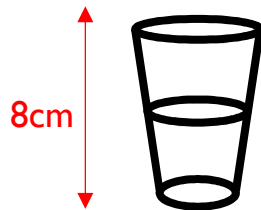

drink

These PECS are a good size ✓
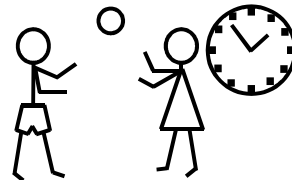

playtime

Bold

Text and pictures should have sufficient **line thickness**
Use felt-tip* pen at least **0.8mm**, or dark pencil **(7B)**.
• Use **Bold-type** font, **contrasted** from background, e.g. black/white, not pastels.

0.8mm

High contrast font is OK ✓

Pastel or low contrast is hard to see, even when large ✗

felt-tip pen ✓

pencil ✗

Uncluttered

Text and pictures should be sufficiently spaced out. Avoid **crowding**.

'Comic sans' font is well spaced ✓

The detail in the picture makes it hard to interpret its meaning

Other fonts, such as Times new Roman, or Arial Narrow are tightly spaced, even if same font size ✗

*or Chinagraph pencil
