## Module Feedback Survey

### About this Survey

This survey forms part of our quality assurance and enhancement process where the aim is to review the student experience of teaching at a module level. We value your anonymous completion of this survey (no digital tracking is used) and will take into account your feedback in the further development of this module.

Please answer each question by selecting the option which best reflects your experience in this module. For questions 13 and 14, provide details of what you liked and of anything you felt could be improved. Please note that these comments will be received by the teaching staff, and therefore, as a matter of courtesy, please refrain from including personalised statements about named members of staff.
