1 POLICY STATEMENT

This policy applies to students that are studying on any of the programmes below and provides guidance on how and when to make tuition fee payment.

Programme code	Programme description
8547	MSc Biomedical Science
8548	MSc Health Psychology
8726	MSc Psychology Conversion
8656	MSc Business in Tech
8663	MSc FinTech

All students are required to pay a tuition fee per module / programme.

The tuition fee includes charges for registration, tuition, supervision and examination and is payable for each module, or part of the programme for which the student is registered.

Tuition fee per credit point will increase annually in line with inflation and will be updated at the start of each academic year (September). The University will take into consideration factors such as Consumer Price Index (CPI), market competition and other external factors outside the University's control to determine the inflationary increase.

2 SELF-FUNDING STUDENTS

2.1 To complete re-enrolment, self-funding students can avail of one of the following options:

- tuition fees are either paid in full for each module as the student enrolls; or
- where the student has selected modules with
 - 60 credit points or more, an instalment plan can be set up at the time of re-enrolment, which will require a deposit followed by consecutive monthly instalments. Further information at Section 5.3.
 - less than 60 credit points, tuition fees must be paid in full at or in advance of re-enrolment

2.2 Payment for all options can only be received in pounds sterling £GBP.

2.3 Please see further detail under payment deadlines and methods in [Section 4 and 5](#)

3 EXTERNALLY FUNDED STUDENTS

3.1 Financing Tuition Fee through Student Finance

3.1.1 Postgraduate Taught Students: Northern Ireland and Republic of Ireland

Eligible students may be able to defer part-payment of their tuition fees by applying for a tuition fee loan from Student Finance NI who will pay part of the fee directly to the University.

The first module fees must be paid at or in advance of re-enrolment. This is a non-refundable deposit.

If the student subsequently chooses not to apply or is ineligible for a tuition fee loan, then the student must pay the balance of tuition fees for each module as they enrol or set up an instalment plan at re-enrolment in accordance with [Section 5.3](#).

Further detail on payment deadlines and methods can be found in [Section 4 and 5](#)

3.1.2 Postgraduate Taught Students: Great Britain

Eligible GB postgraduate taught students may apply for a loan as a contribution towards their tuition fees from the Student Finance England/Wales/Scotland. This loan is paid directly to the student and not the University and therefore the student must sign up to an instalment plan at re-enrolment.

3.2 The first module fees must be paid at or in advance of re-enrolment and the balance will be paid in up to three equal instalments (depending on the start date of your modules) and aligned with the receipt of the loan from Student Finance to the student. This instalment plan is only available to students who have registered for 60 or more credits.

- The student is required to submit confirmation of the Student Finance Postgraduate Loan Summary to the Tuition Fee Office.
- Once confirmation of the Student Finance Postgraduate Loan summary is received, the student can avail of an alternative payment plan to align the instalments with the Student Finance payments to the student. The number of instalment dates is dependent on the start date of the course.
- For GB Student Finance Funded students only, the table below sets out the number of credit / debit card collections available when you register at the different enrolment points

Start Date	Number of Instalments
September 2026	3
November 2026	2
January 2027	2

3.3 For students re-enrolling after January 2027, fees for academic year 2026/27 must be paid in full at re-enrolment and an instalment plan will become available in September 2027.

If the student subsequently chooses not to apply or is ineligible for a tuition fee loan, then the student must pay the balance of tuition fees for each module as they enrol or set up an instalment plan at re-enrolment. See [Section 5.3](#) for further information on instalment plans.

3.4 Students Receiving Fee Support from Employer or Other Sponsor body

3.4.1 If an employer, a government agency or any other organisation is paying the student's tuition fees, an official sponsor letter on their headed paper must be uploaded at [Sponsored Students - Ulster University](#) in advance of re-enrolment to allow the student account to be updated.

3.4.2 The sponsor letter must detail:

- Student registration number
- Course title
- Academic year being sponsored
- The value (£) of the sponsorship
- Sponsor billing name and address for which we can raise an invoice when you re-enrol for the course
- Sponsor contact name and telephone number
- Sponsor contact email address to which the invoice will be issued
- If your sponsor requires a purchase order number to be quoted on the invoice, this should be included on the sponsor letter.

3.4.3 All modules for the academic year must be selected at re-enrolment. Only one invoice will be issued to the sponsor after re-enrolment.

3.4.4 Students that are being sponsored but have not uploaded a sponsor letter to the Tuition Fees Office at the time of re-enrolment will be treated as self-funding at re-enrolment. Once the student is registered as self-funding, the University will not subsequently accept a sponsor letter. Instead, the student will be treated as self-funding and will have to reclaim monies paid directly from their sponsor.

3.4.5 A new letter must be provided at each enrolment period to confirm that the sponsor is still willing to pay the student's tuition fees.

- 3.4.6** Where the sponsor is only part paying the tuition fees, the student will be required to pay any personal contribution or else set up an instalment plan at re-enrolment. Please see [Section 4](#) for payment deadlines and [Section 5](#) for payment options.
- 3.4.7** Where a student provides a sponsor letter and the sponsor fails to pay the invoiced tuition fees within 30 days from the invoice date, responsibility for the payment of fees will revert to the student. You will then be required to either immediately pay the fees in full or contact the Tuition Fee Office on +44(0) 28 701 24252 to discuss the potential of an instalment plan to avoid University sanctions being applied. Sanctions will be applied for non-payment. Further detail on sanctions for non-payment can be found in [Section 10](#).
- 3.4.8** If the student leaves the sponsor's employment and they have failed to pay the tuition fees the University will treat the student as self-funding and the student will be required to pay the full balance of the tuition fees.
