

ACHIEVEMENTS WHICH MAY BE INCLUDED IN THE HEAR

The HEAR includes a comprehensive record of the modules taken and results obtained on the programme of study for the award. Students also have the opportunity to engage in activities outside the programme of study which are recognised by the University as representing real achievement. Activities which are completed to the required standard are included as achievements in students' HEARs.

Opportunities available to students for inclusion in their HEAR are set out below.

Activity	Details	*Open to	Further Information and Contacts
Personal and Professional Development modules	Students have the opportunity to enrol for a range of modules from the University's Certificate of Personal and Professional Development (CPPD).	Currently registered undergraduate students and those on an integrated Master's programme	adl.ulster.ac.uk/III
Placement Year	Successful completion of the placement year is included in the HEAR as an additional achievement.	Available where programme has mandatory or optional placement year	Contact Course Director or Adviser of Studies
Year Abroad	Successful completion of the year abroad is included in the HEAR as an additional achievement.	Available where programme has mandatory or optional intercalary year	Contact Course Director or Adviser of Studies
The Ulster EDGE Award	Students who obtain the EDGE award have this award included in the HEAR. Details of activities which contribute to the award are available on the website.	Currently registered undergraduate students and those on an integrated Master's programme	edge.ulster.ac.uk/

Tutoring in Schools	Tutoring in Schools is a programme which places students in primary, secondary or special schools to undertake a specified project.	All currently registered students	http://addl.ulster.ac.uk/tis/
