#WeAreUU

How to apply

Applying to UU can be done in 4 easy steps

- 1 Create an account at ucas.com/apply
- 2 Complete the various form sections including your personal details, education and personal statement.
- 3 Choose up to five courses from over 300 UK universities. £22 for one choice, £26.50 for five choices*. Use UCAS Code "U20" to search for Ulster University courses.
- 4 Pay and submit your application.

UCAS Application Deadline - 25 January 2023*

*to be confirmed by UCAS. Visit UCAS.com for up to date information

Student finance

Unlike other universities, at UU, you do not have to pay your tuition fees before you study. Take the stress out of university by applying for a Tuition Fee Loan, which you only have to pay back after you graduate and are earning over £19,895*

What you'll repay

You'll repay 9% of your income over the repayment threshold. If your income changes, either rising or falling, your repayment amount will automatically change to reflect this.

More info: studentfinancenl.co.uk

Maintenance support

If you are eligible for any awards through SUSI, you can simply transfer these to Northern Ireland whilst you study with us.

More info: susil.ie

Income each year before tax	Monthly Salary	Approximate Monthly Repayment
£19,895	£1,657	£0
£21,000	£1,750	£8
£24,000	£2,000	£30
£27,000	£2,250	£53
£30,00	£2,500	£76

*Across a 3-year degree.

Your future starts here

Qualifications and accreditations to get ahead

We work with accrediting bodies to develop degrees that prepare you for future certifications or provide exemptions.

Real-world experience

Our industry links mean that you may work on live industry projects and benefit from visiting professors or masterclasses from experts.

Real-world environments

We design our courses so that you learn in highly practical environments, seminars, and working project teams that will prepare you for the real world.

CV building, learning, and assessment

Gain practical experience and project work that will demonstrate your expertise including portfolios, case studies, projects, and more.

Our Employability and Careers Service is here to get you work ready:

- Benefit from one-to-one specialist advice from our award-winning Employability and Careers Hubs on campus or online
- Access an extensive range of paid work experience, internships and volunteering opportunities.
- Meet career bodies, and local and global employers at regular careers fairs and forums.
- Build your CV and interview skills with digital resources and real-time feedback.
- Get access to world-class coaches, mentors, and employability agents after you graduate through our UnlockU programme.

Welcome to Ulster University

At Ulster University, we want to give you the most rewarding student experience possible.

From our teaching underpinned by world-leading research, to our focus on your future career and the many opportunities for you to discover your passions, we aim to give you the platform to excel.

We have multiple campuses across Northern Ireland; Belfast/Jordanstown, Coleraine and Magee in Derry~Londonderry. Each campus has its own distinctive atmosphere and you can be sure that wherever you choose to study, you will have a fantastic student experience.

Magee

Coleraine

Belfast

4 Reasons to Go North for University in 2023

Save €12,000 at Ulster University*

With the lowest cost of student accommodation and living, Northern Ireland is the most affordable region in the UK/Ireland to live, work and study¹. You could save up to €4,000 per year in accommodation fees alone².

Study now, pay later

Take the stress out of university by making the most of a Tuition Fee Loan. You only start paying this back once you graduate and earn a salary of over £19,895, allowing you to focus on your studies without worrying about the fees.

Guaranteed accommodation

We guarantee affordable and comfortable campus accommodation to applicants who receive a course offer from Ulster University, and who apply for accommodation by 7 July 2023. Our accommodation is among the most affordable in the UK/Ireland.

No points inflation

Stay away from the points race. When you apply to Ulster you will be applying through UCAS, this means you won't be disappointed at having missed out on your first choice due to points for courses surging. Our points system is fixed and will not change.

*Across a 3-year degree

¹Which?, 2018

²UU vs UCS accommodation difference for 2 semesters

Make yourself at home

Our award-winning accommodation is well priced, comfortable, modern and a great way to help you settle in and make the most of uni life.

All Ulster University accommodation has:

- Self-catering facilities
- High speed Wi-Fi
- Laundry facilities
- Access to gym facilities
- Student hub for socialising

Here to help you

University life is exciting, and we know you will experience a big change with new friends, new studies and new living situations. We are here to support you so you can enjoy life at Ulster University to the fullest and have the best student experience possible.

Our Student Wellbeing Team can help you with:

- Your wellbeing** - We can provide advice and guidance on a range of issues like dealing with stress, academic matters and how to adapt to student life.
- Money matters** - We can help you budget and manage your money so you can live within your means.
- Counselling** - All our students can access face to face counselling support from a trained counsellor, on or off campus. We also offer a confidential 24/7 counselling helpline.

Our AccessAbility Team

If you have a disability or long-term medical condition including mental health challenges or specific learning difficulties (e.g. ADHD, dyslexia), our AccessAbility team can provide you with a range of support and advice.
