Payroll Giving – Small Effort. Big Impact.

Pay it forward this payday.

As staff at Ulster, we witness every day the transformative power of education and research. Whether you are passionate about advancing groundbreaking research or supporting hardworking students to overcome barriers to education, payroll giving allows you to invest in what matters most to you every single payday. Better still, your donations are tax-free, meaning you can give more for less. Sign up today to leave your mark and help shape a brighter future at Ulster and beyond.

We believe in transforming lives

Supporting Student Opportunities

Our students are at the heart of everything we do. We are inspired by their ambition and resilience – but for many, limited income, caring responsibilities and unforeseen challenges can stand in the way of reaching their full potential. Support student opportunities to tear down barriers and offer a helping hand to those who need it most; show them that someone believes in their ability and wants them to succeed.

I feel hugely privileged to have been awarded this funding. It has allowed me to focus solely on my studies and raising my daughter, while alleviating some of the pressure that comes with being a full-time student and single mum.

I am grateful to have gained a place on the Paramedic Science programme, and now I can give my all to reaching my potential and becoming part of our wonderful healthcare community. I would like to extend my sincere appreciation to the donors, for empowering those committed to education and excellence.

Saorla Boyle
Year 2: Paramedic Science – Academic Opportunity scholar

Advancing Research

Research at Ulster is at the forefront of tackling the most important issues affecting health and wellbeing across the globe. Our innovative Cancer Research Centre in Coleraine is developing cutting-edge technology which could revolutionise the way in which we treat cancer. With your support, our researchers will be one step closer to breakthroughs for people and families affected by cancer.

We are now entering an exciting stage of research as we begin clinical trials, testing our treatment on a live patient for the first time. This is a hugely rewarding milestone which will allow us to evaluate the safety and effectiveness of our treatment – a true indicator that we are one step closer to saving lives and changing the future of pancreatic cancer treatment. Without the generosity of donors, none of this would be possible.

Professor John Callan
Norbrook Chair in Pharmaceutical Science

How does payroll giving work?

- Simply choose the amount you wish to donate each month and the area you wish to support. Donations will be automatically deducted from your salary each payday
- Because donations are processed before tax, you will receive immediate tax relief. This means a pledge of £20 will only cost a 20% taxpayer £16 and a 40% taxpayer £12
- You will be in complete control and can cancel or alter your contributions at any time by contacting the Payroll Department

Making your gift go further

Did we mention that donations through payroll giving are ***TAX FREE***, meaning you can give more, for less? Use the handy chart below to see how you can pledge more at no extra cost. Every gift brings us closer to a more equal, prosperous and innovative society.

Get involved

To sign up, simply complete the slip below and return it to the Development and Alumni Relations Office, BD-04-029, Belfast campus. Alternatively, complete the online form at **https://forms.office.com/e/TsRxS0wCTN**

WHAT YOU PLEDGE	ACTUAL COST TO YOU		WHAT WE RECEIVE
	20% TAX PAYER	40% TAX PAYER	
£5	£4	£3	£5
£10	£8	£6	£10
£20	£16	£12	£20
£50	£40	£30	£50
£70	£56	£42	£70
£100	£80	£60	£100

*Payroll Giving is facilitated by Charities Trust, a HMRC-approved agency. An additional 25p per donation is charged by Charities Trust per donor per month to cover administration costs.
