Uhm: Extract 1

01 Bet: what sort of music do
02 you like to listen to
03 Abb: **uhm:**↑ (0.5) I really like
04 (.) [seventies eighties]=
05 [(waves hands)]=
06 =nineties [music]
07 Bet: [(nods)][(nods)]
08 [mmhm]

Uhm: Extract 2

01 Host 1: =as many questions as we
02 can so first up we've
03 got Helen.
04 What's your question?
05 Helen: Hi, my question is to Andrew
06 ehm .pt were Wha:m->was it-
07 is it< true that Wham were
08 asked to play at Live eight.
09 Andrew: Live eight?
10 Helen: Ye:s,
11 Andrew: **Ehm:**. (0.9) I don't recall that no.
12 Host 2: There you [go.] I [thin]k from the pause that is a=
13 Andrew: [°yeah°] [°yeah°]
14 =[def]in[ite no.]
15 Andrew: [yeah]
16 Helen: [(nods)) yep.]
17 Audience: [hehehehe]
18 Host2: Ah okay Ruby?

Uhm: Extract 3

01 AOC: Ehm °eh-° you announced
02 recently that the official
03 policy of Fa:ceboo:k now
04 allows politicians to pay to
05 spread disinforma:tion.
06 ehm in twenty twenty elections
07 and in the future:. So I
08 just wanna know how fa:r
09 I can push this, um in the
10 next year. Under your
11 policy:, >you know< using
12 census data as well. Could I pay to target predominantly
13 black zip codes and advertise them the incorrect election date?
14 Mark: No Congresswoman you couldn't.

Uhm: Extract 4

01 AOC: Ques:tion=one more question.
02 In your ongoing dinner parties
03 with far right figures some
04 of who advance the conspiracy
05 theory that white supremacy
06 is a ho:ax, did you discuss
07 so called social media bias
08 against conservatives and do
09 you believe there is a bias?
10 Mark: (1.1) Ah Congresswoman (1.2)
11 ah:m (1.2) °>sorry I don't
12 remember everything that was
13 in the sente°-[in=in the question °you asked°]
14 AOC: [.hhh that's alright] I'll move on.
