

Skype For Business Mobile

You can use the free Skype for Business App to stay in touch with contacts while 'on-the-go'.

Firstly, download the App on your mobile device;

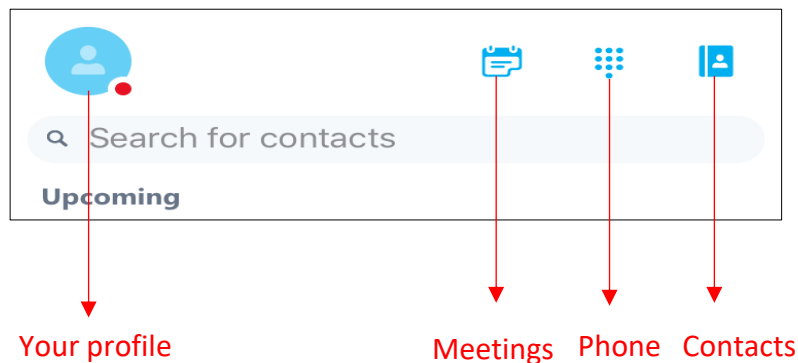

Then log-in using your University details.

Both your Outlook calendar and your Skype contacts will be imported from the desktop version.

The Skype Mobile Interface

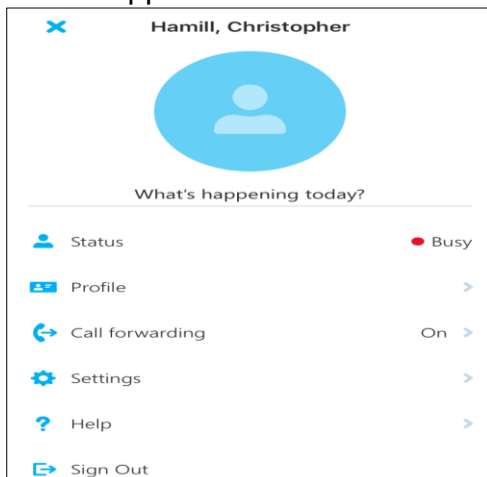

Although it does not have full functionality, most common features are available from the Skype App;

Tap on a contact, to use IM and audio/video calls from your mobile device. For meetings, again simply tap on that meeting to join from your mobile device.

Your Mobile Profile

Some settings can be changed in the Mobile App:
