

DAERA Postgraduate Studentships 2017-18

Topics:

Education and research

Education and training

Each year the Department of Agriculture, Environment and Rural Affairs for Northern Ireland (DAERA) offers a limited number of Postgraduate Studentships for a three year period of research leading to a PhD qualification at a University in the United Kingdom (UK) or Republic of Ireland (ROI).

Details

The DAERA Postgraduate Agricultural and Food Studentships competition is aimed at students wishing to undertake Doctoral programmes through research. The number of studentships awarded in any given year is determined by Departmental priorities and budget availability. The Department was able to fund twelve studentships in 2016.

The 2017 Competition for Studentship Applications is now open. Funding is provided for full-time students only.

Closing date for the competition is 5pm Tuesday 28 February 2017

The application form is available below and it is recommended that you read the Terms & Conditions (T&Cs) prior to completing the form. The T&Cs may be varied at any time at the discretion of DAERA.

Please note: DAERA was formerly known as DARD prior to the 8 May 2016.
